Jersey Township High School, erected in 1915-1916, was enlarged in 1933. With its gym, library, assembly, ever-buzzing office, seven hallways, and twenty-three class rooms, it's a fine school in a superior educational system of the greatest country on earth. Its strength and solidity are epitomized here in a bas-relief of stone.

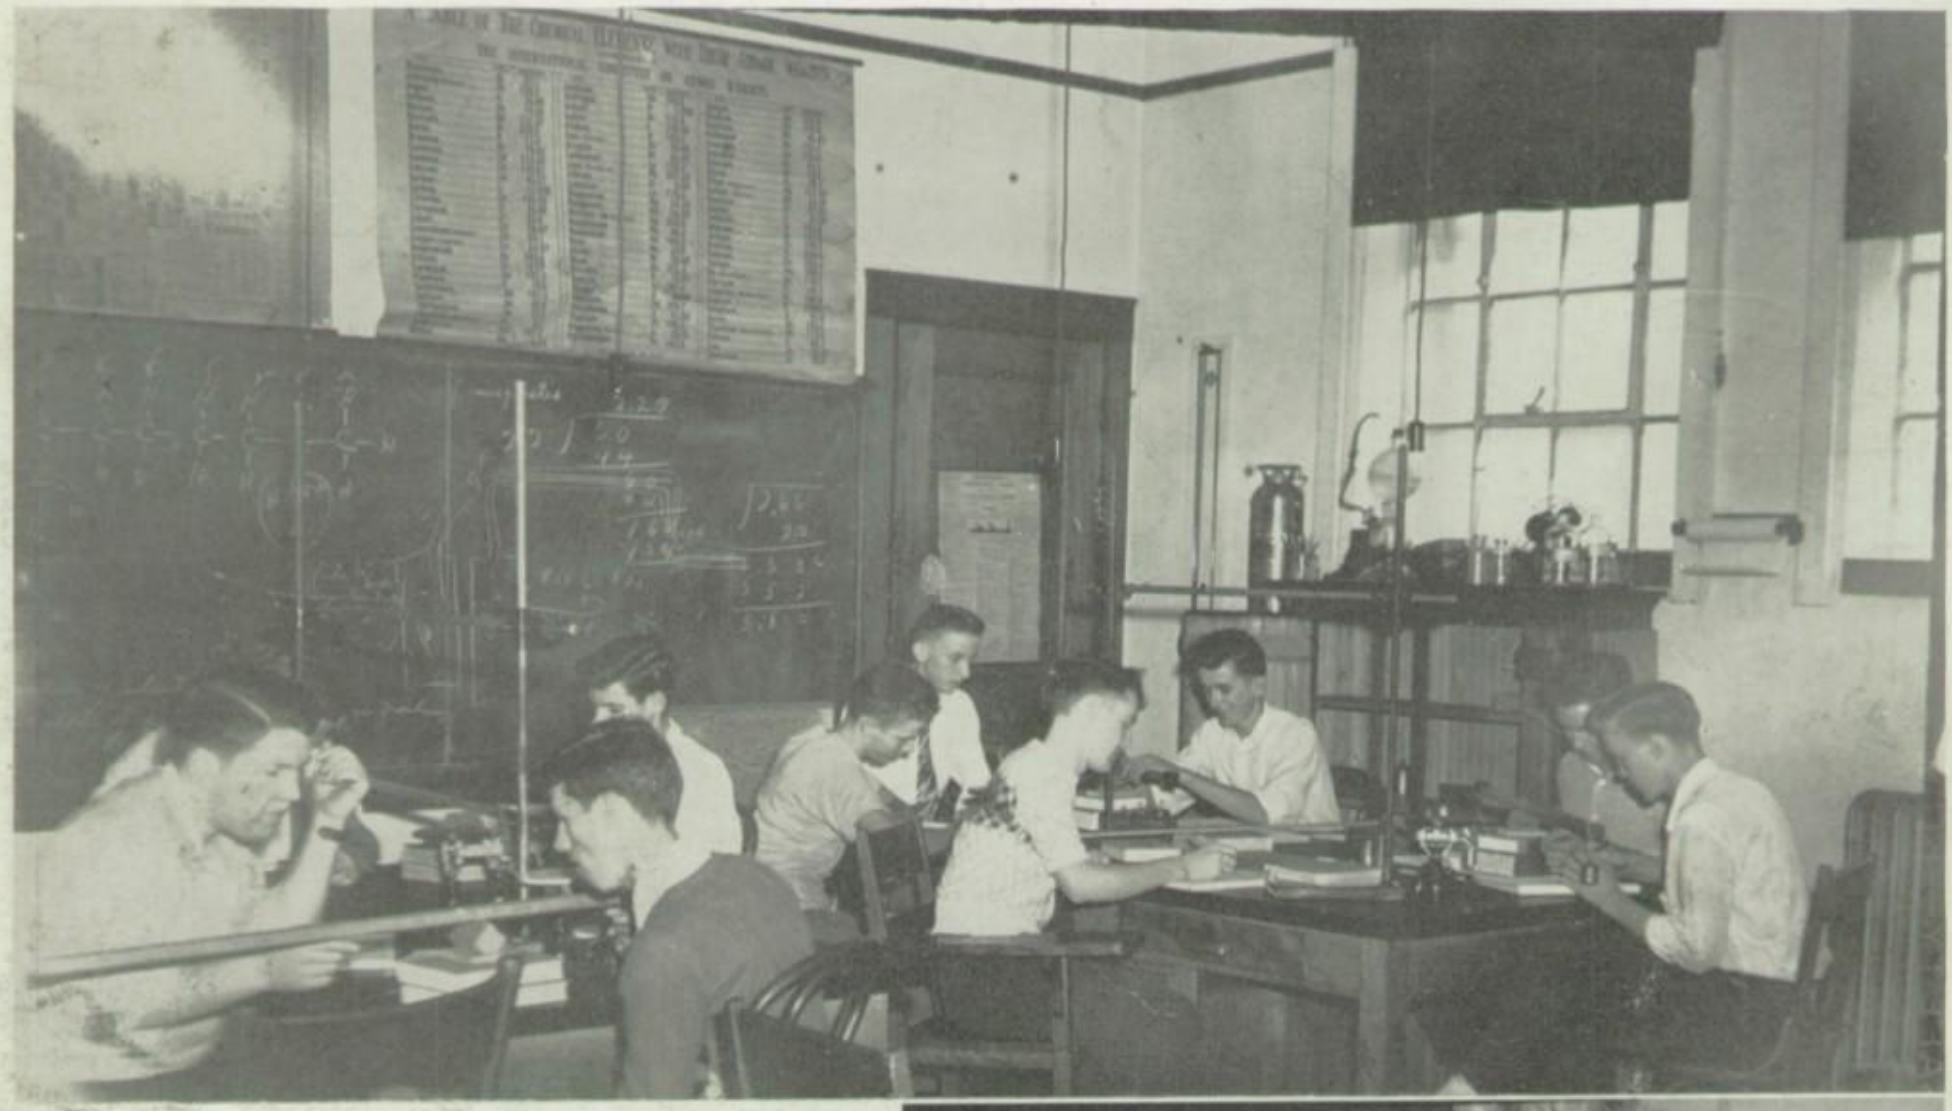
SCHOOL MEANS WORK



A School Year Is Made Up of Little Things

We remember the school dances and Big Sister-Little Sister parties—the candy and hot-dog sales in the main hallway carried on by our various clubs—the plays by the dramatic club and the two all-important class plays—senior graduation with all of its seriousness (solemn procession) — the assemblies, pep sessions, and band practices which relieved the monotony of the curriculum—and, of course, that never failing interest in the opposite sex—especially when the opposite sex responds.

FOOTBALL LETTERMEN

I. **Bob Shaw** (Senior) Right End. Although small, Bob really messed up the opponents' plays.

Paul Cory (Senior) Right Tackle. His size and aggressiveness completely offset his inexperience.

Pat Gibbons (Senior) Right Guard. "Irish" was the key to our successes.

Clyde (Butch) Powderly (Senior). Butch, a transfer from guard to center, was a boy who really loved the game.

Donald Surgeon (Senior) Left Guard. Don turned up in our hour of need to become a tough linesman.

Jim Creamer (Senior). With his four years of experience, Jim developed into a tough left tackle.

Gene Murphy (Senior) "Tunney" played a real game at left end.

II. **Donald Bligh** (Junior) Halfback. "Rabbit" really lived up to his name on those end runs.

Louis Koeller (Junior) "Louie," the hardest line plunger, will be back next year.

Bert Chappee (Junior). Bert is a fine prospect for "end" man.

Dick Thurston (Senior) Halfback. "Pee-Wee" was a fine kicker and the hardest "end" runner in the conference.

Bill Landon (Junior) Halfback. Bill was the smartest boy on our team.

Captain John Randolph (Senior) Quarter Back. His fine performance in a perfect season is a "perfect tribute" to him.

Joe Holland (Sophomore) Alternate End. Joe was as good as the best.

III. **Dwight Munsterman** (Sophomore). Dwight is a boy who will make all his opponents respect him.

Bob Creamer (Sophomore). Bob will make a cracking good end.

Jerry Wade (Junior). "Curly," if heavier, will make a rough center.

Robert French (Sophomore). This halfback should develop into a hardy runner.

Fred Glassbrenner (Sophomore). A sure promise for next year's tackle.

BASKETBALL

Our first team got off to a bad start of the 1944-45 basketball season, but later snapped out of the old rut and started winning. We conquered several of our enemies who had overpowered us earlier in the season, even beating a better Hardin Five in the Regional tournament.

Our scond team enjoyed a good season winning more than half of their games. These boys were Freshmen and Sophomores which gives us reason to believe Jerseyville will have good teams for future years.

THE PANTHERS TAKE THE LEAD

See all those excited Jerseyville fans? It was a close game and Carrollton had us worried for a while, but the Panthers were victorious!

(Salute To The Band)

No home game would have been complete without our J. T. H. S. band. Under the direction of Mr. Claude Smith, the band members have been on hand at every game to entertain us. They did a grand job, too. How could we ever forget that version of "Accentuate the Positive" by Beverly, Jerry and Maribelle as well as the other musical specialties they presented!

Always performing with distinction at pep rallies, parades and football and basketball games, the band with its ten majorettes has shown us a very entertaining season.

OUR CUSTODIANS

To Mr. Homer Roberts and Mr. Lawrence Allen, who were unable to spend the entire year with us, we owe a great debt of thanks for their splendid co-operation and untiring efforts. Their tasks, which included an infinite number of small jobs, were handled with much skill and careful consideration.

Their successor, Mr. William Shaw, has taken over their responsibility and is keeping our buildings in good condition. Although he has been handicapped in taking the place of two experienced men, he has done a fine job.

On May 1st, Mr. Abraham Lane began his new duties as janitor. His assistance has been a great help for Mr. Shaw and they are both doing a fine job at J. T. H. S.

Wayne Campbell: "No, make it half a dozen. I don't want to say too much."

Howard White, who had just completed his training, was assigned to sea duty and was making his first trip.

Standing in the aft part of the ship with another "trainee", he was admiring a graceful seagull as it hovered, swooped, and dipped to recover some scraps of food that had been thrown from the galley.

"What a beautiful pigeon," exclaimed Howard.

"That's a gull," said the more-experienced sailor.

"I don't care—gull or boy—it's a pretty pigeon.

Phyllis Erdman: "Does this lipstick come off easily?"
Clerk: "Not if you put up a fight."

Jerry Howell, in Japan, wrote to Pat Gibbons, saying, "I don't know if this letter will ever arrive, because the Japanese censor may open it." A week later Jerry received a note from the Japanese post office saying, "The statement in your letter is not correct. We do not open letters."

A few weeks ago Paul Connolly was very much in love. He wanted to marry Imogene Isringhausen but being a shy lad, he could not find the courage to ask her. After much thought, he asked her in a whisper one noon, "Imogene, how would you like to be buried with my people?"

Morris Long says: "Boots are what a man wants to die in so he won't stub his toes when he kicks the bucket."

Bernard Willis: "Last night I dreamed that I asked the most beautiful girl in the world to marry me."

Pat Howell: "Really, and what did I say?"

John Bray: "Women don't interest me anymore; I prefer the company of my fellow men."

Leon Jackson: "Move over; I'm broke too."

Kenneth Fearno: "Why are those trees in the orchard all bent over?"

Charles Powers: "You'd be bent over too if you were full of green apples."

Billy Flamm was hurrying to school, and as he hurried he prayed, "Dear God, don't let me be late—please, God, don't let me be late."

Just then as he ran he stumbled, and exclaimed, "Well, you don't need to shove!"

Mrs. Bray: "Why are you taking that whistle with you tonight, Doris?"

Doris: "I have a date with a basketball player."

Miss Holmes: "Now, Albert, if I substract 20 from 45, what's the difference?"

Albert Stamps: "That's what I say. Who cares?"

Clyde Wieland: "What do you think of my voice?"

Mildred Spriggs: "It might come in handy in case of fire."

Ruth Kirchner: "Have you heard the latest gossip?"

Mary Catherine Catt: "No."

Ruth: "Well, then I guess there isn't any."
